Message From Chairman

Dear Shareholders,

Let me begin on a positive note and offer my congratulations to the shareholders. The financial year 2022-23 has been a very good year for ACGL. I must proudly say that your company has done extremely well on all counts be it the number of buses or profits generated.

As you are all aware, your company has faced tough times during the past couple of years with a combination of shrinking and fluctuating demands quarter after quarter. In this backdrop, I must proudly say that your company has made an outstanding turn-around for the last 2 financial years.

With growing demand, opportunities, rising investments and a healthy policy support, the total auto industry volume has risen well above pre-pandemic levels with a big focus on electric vehicles. India enjoys a strong position in the global heavy vehicles market, being the second-largest bus manufacturer in the world. India's annual production of automobiles in FY22 was 22.93 million vehicles.

In the financial year 2022-23, your company sold 5,715 number of bus bodies, 25% of which were exclusively for the export market – both numbers being the highest since the pandemic. With electric buses having a significantly large penetration in State Transport Undertakings which is showing an increasing trend, ACGL is gearing up for upgrading its manufacturing facility and engineering capability for manufacturing of future models of buses including Electric Buses.

In Q1 of financial year 2022-23, the overall bus segment saw more than three-fold growth as compared to the previous Q1 and this revival has reflected in ACGL's volume performance in the bus segment which increased by nearly 200% YoY.

ACGL, is working on a strong pipeline of new products & technologies keeping in view the changing market scenario, customer aspirations along with continuously changing regulatory requirements. I would like to emphasize that the management has done an admirable

job in the face of internal as well as external challenges which has reflected in its overall performance.

The Company's commitment towards its goal of Corporate Social Responsibility (CSR) is highlighted through the adoption of suitable strategies and projects, such as the facilitation of online digital education platforms. ACGL is dedicated to the cause of empowering people, educating them, and improving the quality of their lives. CSR is not just a social obligation to be carried out; but a way of going beyond business as usual and contributing to the society and environment at large.

On behalf of the Board and myself, I commend the efforts of the management and employees under the leadership of their CEO for rebounding and achieving a pre-pandemic level of performance.

Last but not the least, I wish to thank you, our shareholders for reposing faith in ACGL and its Management and look forwards to another fruitful year ahead.

Sincerely,

[Shrinivas V Dempo](#)

Message From Director

Dear Shareholders,

I am happy to connect with you once again and speak about the performance of your Company in perspective of the auto industry. A challenging year has gone by in which the Indian automobile industry showed signs of recovery which also reflected in the performance of your company scaling the heights of pre-pandemic levels. Overall, the industry saw a robust growth of 34% in wholesale and 38% by VAHAN registrations in FY23 vs FY22. The Domestic bus Industry almost doubled in FY23 vs last year, while still being lower than Pre-Covid levels, FY19. The performance of ACGL in road to recovery has been remarkable, and the company has been agile to respond to the surge in demand and deliver to the expectations.

To be ready for the foreseeable transition of fuel powered to electric buses, your company has stepped up its efforts in both upgrading its manufacturing facilities and also its line-up of new models of EV buses that includes the prototype of an electric powered double decker bus. Your company is now getting ready for mass production of electric buses for the ever-growing electric vehicle segment.

The automobile industry plays an important role in the Indian economy accounting for 7% of India's total GDP and 49% of India's manufacturing GDP. In case of commercial vehicles, while the demand is driven by the economic activities within the country, the CV industry itself contributes to around 8-10% of manufacturing GDP.

As of 2022, India has been recognised as the 3rd largest automobile market in the world in terms of sales. Automobile production in India uniquely caters to the demand of a lower and middle-income group of the population. This makes the sector stand out in India among the other automobile-producing countries, and with our country becoming the most populous nation, the need for economical public transportation will only increase.

The Investment in the automobile sector is expected to be around USD 8000 million (INR 66,184 Cr) to USD 10,000 million (INR 82,730 Cr) from both local and foreign investors in 2023. The investment in electric vehicles has now increased by nearly 170%.

With a dynamic ever-evolving external environment, years of experience and self-built manufacturing competencies have helped your company in being pervasive of the fragilities surrounding the auto industry. Relentless cost reduction exercises have resulted in protecting profit margins and remaining competitive even under adverse market conditions.

My sincere appreciation goes to the executive management of the company for rising to the occasion and achieving a good performance in the emerging but demanding scenario after the pandemic.

I look forward to your support in ensuring that your company continues its story of progress in the years to come.

Best Regards,

Girish Wagh

Message From CEO & Executive Director

Dear Shareholders,

It gives me great pleasure to connect with you once again after another year in which the economy continued to hold a great promise for leading the global growth post the pandemic. The Indian auto industry recorded a resurgence in sales with impressive growth riding on the back of strong domestic demand and positive customer sentiments.

Growing demand for road transportation mainly from institutions, greater dominance of public transportation and growing investments in the commercial automobile segment coupled with technological advancements will be the key enablers for driving the market growth in the coming years.

The Bus industry began its revival from the year 2022 onwards and is showing definite signs of growth. The Industry revenue surge of more than 100% from 2021 which translates into a revenue in excess of Rs.5,500 Crores has sent positive indications across the entire Indian bus industry. In terms of number of buses, our company has also had a significant resurgence from the previous year, almost reaching the pre-covid levels.

On the delivery front, of the 5,715 buses manufactured, your company achieved the largest numbers, in the school segment (3,400) and also manufactured 200 buses for a major State Transport Undertaking. Our product portfolios are now configured to the new regulations as they evolve and are incorporated in the BSVI buses that we have produced. To keep abreast with the future, the manufacturing facilities are also being upgraded to accommodate manufacturing of future models of buses including electric buses.

The strength we showed in the last few years in meeting the challenges of the business has produced encouraging results this year. Our core strategy has continually focused around aggressive cost optimization, customer adaptability, responsive supply chain and a series of new products that allowed us to deliver positive performance even at the most adverse periods of the economic cycle.

The resilience built through the challenging times in the last couple of years has not only borne immense fruit but has also taught your company innovative ways of operations management which will enable it to capitalize on the lessons learnt for the future.

I take this opportunity to thank all the Directors on the Board for their active support in helping optimize the performance of the company by imparting their valuable insights. With the support and guidance of our promoter, Tata Motors, we have enhanced the value of our products and introduced new bus models, and also streamlined our operations and manufacturing processes.

I would like to thank the Chairman and the Board of Directors for their proactive support to the company in its effort to deliver to the stakeholder's expectations. I would like to place my gratitude to our shareholders and business partners for their confidence and trust in the company. My appreciation also goes out to the workforce in their unified efforts in helping the organization achieve the success of the past year.

Sincerely,

O V Ajay

**NOTES:**

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General Circular Nos. 14/2020, 17/2020, dated April 8, 2020 and April 13, 2020 respectively, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made there under on account of the threat posed by COVID-19", General Circular nos. 20/2020, 02/2021, 19/2021, 21/2021, 02/2022, 10/2022 dated 5th May, 2020, 13th January, 2021, 8th December, 2021, 14th December, 2021, 5th May, 2022 and 28th December 2022 respectively, in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" (collectively referred to as 'MCA Circulars') and the Securities and Exchange Board of India ('SEBI') has vide its Circular Nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79, SEBIHO/CFDCMD2/CIR/P/2021/11 and SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/001 dated 12th May, 2020, 15th January, 2021 and 5th January 2023, respectively (collectively referred to as 'SEBI Circulars'), permitted the holding of AGM through Video Conferencing ('VC')/Other Audio Visual Means ('OAVM') facility without the physical presence of the members at a common venue. In compliance with the provisions of Companies Act, 2013 ('the Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), MCA Circulars and the SEBI Circulars, the 43rd AGM of the Company is being held through VC/OAVM facility. The deemed venue for the 43rd AGM shall be the Registered office of the Company.
2. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 ('Act') relating to Special Business as set out at Item Nos. 4 to 10 of the accompanying Notice are annexed hereto. Further, the relevant details with respect to Item No.3 pursuant to Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings ('SS-2') issued by the Institute of Company Secretaries of India ('ICSI'), as amended, in respect of the Directors seeking appointment/re-appointments are annexed hereto and forms part of this Notice convening the 43rd Annual General Meeting ('Notice'). Requisite declarations have been received from the Directors seeking appointment/re-appointments.
3. In terms of Section 152 of the Act, Mr. Girish Arun Wagh (DIN: 03119361), Non-Executive Director, retiring by rotation at the AGM and being eligible, offers himself for re-appointment. The Nomination and Remuneration Committee and the Board of Directors of the Company have recommended for his re-appointment as set out at Item No. 3 of this Notice.
4. **Pursuant to the provisions of the Act, a member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company.** Since this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with in line with the MCA Circulars and the SEBI Circulars. Accordingly, in terms of the MCA Circulars and the SEBI Circulars, the facility for appointment of proxies by the members will not be available for the 43rd AGM and hence the Proxy Form, Attendance Slip and the Route Map are not annexed to this Notice.
5. A Green Environment Initiative - The Company's philosophy focuses on making the environment greener for the benefit of posterity. In this regard, your Company encourages its shareholders to register/update the e-mail ids for communication purpose thereby contributing to the environment. Members may kindly note that the Notice of AGM and the Annual Report will also be available on the Company's website.
6. Only registered Members of the Company may attend and vote at the AGM through VC/ OAVM.
7. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
8. Members attending the AGM through VC/OAVM facility shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
9. In compliance with the aforesaid MCA Circulars and SEBI Circulars, the Notice of AGM along with the Annual Report 2022-23 is being sent only through electronic mode to those members whose e-mail addresses are registered with the Company or Depositories or RTA. Members may note that this Notice of AGM and Annual Report 2022-23 are also available on the Company's website at www.acglgoa.com, and may also access the same from the relevant section of the website of the Stock Exchange i.e. www.bseindia.com and on the website of National Securities Depository Limited ('NSDL') i.e. www.evoting.nsdl.com.
10. The Notice of AGM along with the Annual Report 2022-23 will be sent to those members/beneficial owners whose name will appear in the Register of Members/list of beneficiaries received from the Depositories as on May 26, 2023.

11 Book Closure and Dividend:

The Register of Members and the Share Transfer Books of the Company will be closed from Tuesday, June 20, 2023 to Sunday, June 25, 2023 (both days inclusive) for the purpose of this 43rd Annual General Meeting and for determining entitlement of members to final dividend for the financial year ended March 31, 2023, if approved at the AGM.

The final dividend of Rs. 15/- per equity share of Rs. 10/- each (150%), if declared at the AGM, will be paid subject to deduction of tax at source ('TDS') on or after June 30, 2023.

- a. To all the Beneficial Owners as at the end of the day on Monday, June 19, 2023 as per the list of beneficial owners to be furnished by the National Securities Depository Limited and Central Depository Services (India) Limited in respect of the shares held in electronic form; and
- b. To all Members in respect of shares held in physical form after giving effect to valid transmission and transposition in respect of valid requests lodged with the Company as of the close of business hours on Monday, June 19, 2023.

Members who are unable to receive the dividend directly in their bank accounts through Electronic Clearing Service or any other means, due to non registration of the Electronic Bank Mandate, on request of those shareholders the Company shall dispatch the dividend warrant/ Bankers' cheque / demand draft to such Members, subject to availability of postal services and /or courier services.

12. As you are aware, the Income Tax Act, 1961 ('the IT Act'), as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 1, 2020 shall be taxable in the hands of the shareholders. The Company shall therefore be required to deduct tax at source at the time of making the payment of the Final Dividend, if declared at the Annual General Meeting of the Company to be held on Thursday, June 29, 2023.

Further, as per the Finance Act 2021, Section 206AB has been inserted w.e.f. July 1, 2021 wherein higher rate of tax (twice the specified rate) would be applicable on payment made to a 'Specified Person' defined under the provisions of the aforesaid section

If there is any change in the information, you are requested to update your records such as tax residential status, Permanent Account Number (PAN) and register your email address, mobile numbers and other details with your relevant depositories through your depository participants in case you are holding shares in dematerialized form and if you are holding shares in physical mode, you are requested to furnish details at csg-unit@tcplindia.co.in to TSR Consultants Private Limited (formerly known as TSR Darashaw Consultants Private Limited), the Registrar and Transfer Agent of the Company.

13. Members desiring any information/clarification on the accounts or any matter to be placed at the AGM are requested to write to the Company at sectl@acglgoa.com at least seven days in advance to enable the Management to keep information ready at the AGM.
14. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection. Members seeking to inspect such documents can send an email to the Company at sectl@acglgoa.com
15. Pursuant to the MCA Circular, the Company has published a newspaper advertisement requesting its Members, who are holding shares in physical mode and who have not registered their e-mail address with the Company, to register the same by sending an email to the Company at sectl@acglgoa.com and/or by sending a request to our RTA-TSR Consultants Private Limited through email at csg-unit@tcplindia.co.in.

The Members holding shares in demat form are requested to register their e-mail address with their Depository Participant ('DP') only. The registered e-mail address will be used for sending future communications.

16. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time. The Securities and Exchange Board of India ('SEBI') has mandated the submission of Permanent Account Number ('PAN') by every participant in securities market. Members holding shares in electronic form are therefore, requested to submit their PAN to their DPs with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company/RTA.
17. The Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such members after making requisite changes.
18. The Members holding shares in dematerialized mode are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, bank details such as name of the bank and branch details, bank account number, MICR code, IFSC code, etc./NECS/mandates, nominations, power of attorney, to their DPs only and not to the Company's RTA. Changes intimated to the DPs will then be automatically reflected in the Company's records which will help the Company and its RTA to provide efficient and deter service to the Members.

In case of Members holding shares in physical form, such information is required to be provided to the Company's RTA - TSR Consultants Private Limited at C-101, 1st Floor, 247 Park, L.B.S. Marg, Vikhroli West, Mumbai-400 083, in physical mode, quoting their Folio Number.

19. As per the provisions of Section 72 of the Act, the Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company by submitting Form No. SH-13 to the RTA. Members holding shares in electronic form may submit the same to their respective Depository Participants. The nomination form can be downloaded from the Company's website www.acglgoa.com. Members, who require communication in physical form in addition to e-communication or have any other queries, may write to the RTA or the Company at its Registered Office address, quoting their folio number.

If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to the Company's RTA in case the shares are held in physical form.

20. Members are requested to note that dividend if not encashed for a period of seven (7) years from the date of transfer to the Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF). Further, all the shares in respect of which dividend has remained unclaimed for 7 consecutive years or more from the date of transfer to unpaid dividend account shall also be transferred to IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated time line. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in and by sending a physical copy of the same, duly signed by them to the Company, along with requisite documents enumerated in the Form IEPF-5. Please refer to Corporate Governance Report which is a part of this report, for details including the due dates for transfer of unclaimed dividends.

Details of dividend unclaimed by Members for the past years which have not yet been transferred to the Central Government have been uploaded on the Company's website www.acglgoa.com. Members are encouraged to view the lists and lodge their claim with our RTA for dividends which have remained unclaimed.

Individual notices are sent to the concerned shareholders as well as an advertisement is published in the newspaper, requesting the shareholders to encash their unclaimed dividends before transfer to the IEPF.

21. SEBI vide its notification dated 24 January, 2022 has mandated that all requests for transfer of securities including transmission or transposition of securities held in physical or dematerialized form shall be processed in dematerialized form only. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holding to dematerialized form. Members can contact the Company's RTA for assistance in this regard.

Members may further note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Item No. 9

Tata Motors Finance Ltd (TMFL) is a promoter group company and is a Related Party pursuant to the amended Reg 2(zb) of SEBI (LODR) Regulations wef 1 April 2022.

The Company has availed Bill Discounting Facility from Tata Capital Financial Services Limited for discounting the invoices raised on Tata Motors Limited for sale of the Company products during the FY 2022-23. As per the proposed sanction terms the TMFL will have the second recourse to ACGL for recovery of any unpaid amount by TML. This amounts to giving guarantee for TML and this is treated as Borrowings in the financial statements.

It is submitted that at the Board Meeting held on 19 July 2022, based on the recommendation of the Audit Committee, the approval of the Board was obtained for availing this Bill Discounting Facility from Tata Motors Finance Ltd (TMFL) for the FY 2022-23 subject to the Members approval by way of Postal Ballot. In this regard it is updated that the Company renewed the Bill discounting facilities with Tata Capital Financial Services Limited for the FY 2022-23, hence, no approval of the Members was sought for the FY 2022-23.

Now, it is proposed to avail this Bill Discounting facility from Tata Motors Finance Ltd (TMFL) for the FY 2023-24 for an amount not exceeding Rs. 97,300 Lakhs on the basis of projections for the FY 2023-24 and this would exceed the materiality threshold limit:

Financial Year for which approval is sought	Aggregate Value of all transactions (Rs. in Lakhs)
2023-2024	97,300/-

The Particulars of the Contracts/agreements/transactions that require for the member's approval are as follows:

Particulars	Information
Name of Related Party	Tata Motors Finance Limited (TMFL)
Nature of relationship with ACGL including nature of its concern or interest (financial or otherwise)	Promoter Group Entity
Name of Director(s) or Key Managerial Personnel who is related, if any	None of the Directors or Key Managerial Personnel, are concerned/interested
Nature of related party transactions ('RPTs')	The following transactions are in the ordinary course of business and are conducted on an arm's length basis: 1. Bill discounting facility to be availed from TMFL for discounting the invoices to be raised on Tata Motors Ltd. during the FY 2023-24 2. Any transfer of resources, services or obligations to meet its objectives/requirements and applicable taxes on all such transactions as per law in force
Material terms and particulars of the proposed contracts/arrangements/ transactions	Terms and Conditions for proposed transactions to be in the ordinary course of business and on arm's length basis: a. Bills raised on Tata Motors Ltd to be discounted as per SBI MCLR rate. b. The Discounted value is paid by TMFL on behalf of TML c. TMFL to charge interest which is paid by TML at a rate agreed between TML and TMFL. d. Tata Motors to pay within 89 days to TMFL. e. In case of default in payment by TML, ACGL has to repay the principal dues (Invoice value) to TMFL. f. Indirect Taxes as applicable g. Currency – Rupees
Duration of these RPTs	Approval is sought for the financial year 2023-24.
Value of proposed transactions	Rs. 97,300 Lakhs
Percentage of ACGL Annual Turnover on a standalone basis for the immediately preceding FY	There are no transactions executed in the past with the entity
Information in case of ICDs i. limit of investment ii. details of the source of funds in connection with the proposed transaction; iii. where any financial indebtedness is incurred to make or give loans, inter-corporate deposits, advances or investments: a) nature of indebtedness; b) cost of funds; c) tenure iv. applicable terms, including covenants, tenure, interest rate and repayment schedule, whether secured or unsecured; if secured, the nature of security; and v) the purpose for which the funds will be utilized by the ultimate beneficiary of such funds pursuant to the RPT	NOT APPLICABLE
Justification as to why RPT is in the interest of ACGL	The proposed RPTs are for discounting the Bills raised on the promoter, Tata Motors Ltd (TML) through TMFL a promoter group entity. TML is the single largest customer contributing around 82% to 90% of total turnover of ACGL during the last three financial years. This would ensure liquidity and continuity of business. Further, monitoring of limits sanctioned by TMFL would be easier as compared to that with Tata Capital.

Particulars	Remarks

MANAGEMENT DISCUSSION AND ANALYSIS

Indian Economy Overview:

India is one of the Fastest Growing Major Economy in the world. The overall growth remains robust and was estimated to be 6.9 percent for the full year with real GDP growing 7.7 percent year-on-year during the first three quarters of fiscal year 2022/23. There were some signs of moderation in the second half of FY 22/23. The central government is likely to meet its fiscal deficit target of 5.9 percent of GDP in FY23/24 and combined with consolidation in state government deficits, the general government deficit is also projected to decline.

Key Economic Development:

Recent economic developments in India are as follows:

- Recovering from pandemic-induced contraction, Russian-Ukraine conflict and inflation, the Indian economy is staging a broad-based recovery across sectors, positioning to ascend to the pre-pandemic growth path in FY23.
- India's GDP growth is expected to remain robust in FY24. GDP forecast for FY24 to be in the range of 6-6.8%.
- The Capital Expenditure of the Central Government and crowding in the private Capex led by strengthening the balance sheets of the Corporates is one of the growth drivers of the Indian economy in the current year.
- The credit growth to the MSME sector was over 30.6% on average during Jan-Nov 2022.
- Retail inflation is back within RBI's target range in November 2022.
- Indian Rupee performed well compared to other Emerging Market Economies in Apr-Dec 2022.
- Direct Tax collections for the period April-November 2022 remain buoyant.
- Enhanced Employment generation seen in the declining urban unemployment rate and in the faster net registration in Employee Provident Fund.
- Economic growth to be boosted by the expansion of public digital platforms and measures to boost manufacturing output.

Key Initiatives in Automobile Sector

The Indian automobile industry contributes almost 6.4% of India's GDP and 35% of manufacturing GDP and is a leading employment provider.

COMPANY PERFORMANCE

Your Company's Sales (with other income) for the financial year 2022-23 was **Rs 514.15** Crores as against **Rs. 289.07** crores (net of taxes) in the preceding financial year. The Company's Profit before tax during the financial year 2022-23 was at **Rs. 37.12** crores (after exceptional income/(expense) and before other comprehensive loss) as against profit of **Rs. 3.34** crores in the preceding financial year. Net profit after tax stood at **Rs. 26.30** Crores as compared to a profit of **Rs. 2.17** crores in the preceding financial year. During FY 2022-23, your Company sold 5,715 buses.

The increase in Product Sales of your Company is primarily due to revival of economic condition and recovery of demand in the commercial vehicle passenger segment.

The Policy on the Emission Norms, Road & Infrastructure, Electric Vehicles, Bus Body Code, Urbanization & City Developments, Electrification & Gasification (CNG & LNG) of Bus City Transit and PPP model of Urban & Sub Urban stage bus operation and Scrappage policy would stimulate the demand in next few years.

Segment Overview

The bus segment has maintained its dominance in contributing to your company's revenue and profit. Proportion of bus division's revenue in the total revenue of the company clocked 87% during the year under review. Large portion of our workforce is operating in the bus segment at Goa. Revenue from Bus segment has grown sharply as compared to last year mainly due to revival of economic condition which was affected in the previous year due to the Covid 19 Pandemic.

1. Segment Review and Developments

A. BUS SEGMENT

Revenue from product sales in Bus Segment increased by **101%** at **Rs. 437 crores** (excluding taxes and other income) in FY 2022-23, as compared **Rs. 217 crores** in the preceding financial year. In FY 2022-23, **5,715** buses were sold as compared to **1,952** buses in preceding financial year which was an increase of 3,763 buses. Out of the **5,715** buses sold during the financial year 2022-23, **1,442** buses were towards Export Application which has reduced by 13% during the current year.

The increase in Product Sales primarily owes itself to the revival of the economy which was affected in the previous year due to the impact of the Pandemic.

B. PRESSING SEGMENT

Sheet metal business follows the cyclicity of OEM's business for which your company is a key supplier. The segment is necessarily capital intensive and capacity utilization drives the profitability in this segment. Revenue from product sales (excluding taxes and other income) from this segment has increase from Rs 64 crores (excluding taxes and other income in FY 2021-22), to Rs 68 crores in the given financial year as a result of increase in the demand of components due to recovery in the demand of Commercial Vehicles.

Share of pressings business in the overall revenue of the Company has reduced from 23% in FY 2021-22 to 13% in FY 2022-23, as mass transport sale has improved in FY 2022-23 due to revival of the economic conditions and opening of schools and offices.

2. Technology Initiatives

Your Company is focussing on product and technical capability building by enhancing its design capability using modern methodology, while continuously benchmarking its product with competition offerings and calibrating itself to provide the best value proposition to the customer.

3. Entry into New segment

Your Company is making efforts to gain entry into bus body manufacturing of electric buses which would be the future technology in passenger mobility.

Your Company was able to develop new models in school and staff segment meeting new regulatory norms to meet market expectations and to diversity in its product offerings.

4. Awards, Certification & Recognition

Your Company is accredited with IATF 16949 QMS Certification for its Goa, Jejuri and Dharwad Plants.

5. Risks, Opportunities and Threats

Risks and Concerns

In order to build capacity & capability for future, your Company need to upgrade its old infrastructure and induct machinery and equipment to support new technology products like EV.

Your Company has made infra upgradation plan and implementing the same in financial year FY24 & FY25.

Your Company has also successfully implemented new IT servers and established Disaster recovery of IT system in Jejuri to support business continuity.

Opportunities

With government's increased focus on development of infrastructure including highways and Electric mobility, there would be an opportunity for growth in commercial vehicles and mass transportation solutions.

Your Company is working on product up-gradation to meet market requirement by diversifying its product range in school and staff segment with new contemporary designs.

Threats

The threat remains the same for the Company this year, as with the presence of multinational companies in Electric Vehicle space and various tie-up made by local bus body builders with foreign collaborators, could have an impact, especially in Electric Buses from domestic OEM's.

The GST difference between Fully Built Vehicle and Bus Body Supplied separately is posing hurdles for the growth of OEM supplied Bus Bodies.

Your Company is also facing a challenge due high manpower cost in comparison to industry benchmarks.

Your Company has aggressively worked on cost reduction which has helped to achieve additional sales due to price competitiveness and also be able to achieve profitability in FY22-23.

Your Company is also working on product diversification to enhance value addition and sale, to achieve economies of scale for better fixed cost apportionment.

6. Internal Control System

The Company has adequate internal control systems in place and also has reasonable assurance on authorizing, recording and reporting transactions of its operations in all material respects and on providing protection and safeguard against misuse or loss of assets of the Company. Independent Auditor's Report

To the Members of Automobile Corporation of Goa Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Automobile Corporation of Goa Limited (the "Company") which comprise the balance sheet as at 31 March 2023, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue from related parties

See note 21 and note 37 to the financial statements

The key audit matter	How the matter was addressed in our audit
<p>The Company is in the business of sale of bus bodies and pressing segment. Significant portion of such revenues are attributable to transactions with related parties.</p> <p>We identified revenue from related parties as a key audit matter.</p> <p>This is mainly on account of judgement involved in assessing arms' length, completeness of disclosures, assessing compliance with statutory regulations (Companies Act, 2013 and SEBI Regulations) governing related party relationships.</p>	<p>We have performed the following procedures:</p> <ul style="list-style-type: none">- Obtained an understanding of the systems, processes and controls implemented by the Company for measurement recognition of Revenue.- Evaluated the Company's revenue recognition accounting policies by comparing with applicable accounting standards.- For revenue from sale of goods to the related parties, we verified the Company's analysis in relation to arm's length assessment and involved our internal specialists.- Evaluating the design, implementation, and operating effectiveness of key internal controls over the existence, accuracy, and timing of revenue recognition.- Performed substantive testing by selecting samples (using statistical sampling) of revenue transactions recorded during the year by testing the underlying documents which included sales invoice, customer acknowledgement and proof of deliveries, to assess whether these are recognised in the appropriate period in which control is transferred.- Tested on a sample basis, revenue transactions recorded before and after the financial year end date to assess whether revenue is recognised in the financial period in which control is transferred.- Tested journal entries on revenue recognised during the year, by considering specified risk based criteria, to identify unusual or irregular items.- Obtained independent confirmations from related parties.- Assessed the adequacy of disclosure made in the financial statements with respect to revenue recognised during the year as required by applicable Ind AS.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report(s) thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure A to the Independent Auditors' Report on the Financial Statements of Automobile Corporation of Goa Limited for the year ended 31 March 2023

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company, except for the following which are not held in the name of the Company:

Description of property	Gross carrying value (Rs. In Lakhs)	Held in the name of	Whether promoter, director or their relative or employee	Period held indicate range, where appropriate	Reason for not being held in the name of the Company. Also indicate if in dispute
Freehold land located at Mann, Pune admeasuring 8,000.04 sq. meters	21.15	Late Mr. Narayan Hari Bharne and Family	No	16 January 1997	The execution of the Title Deed for the purchase of land is awaited on account of dispute with the land owner.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made there under.
- (ii) (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. For stocks lying with third parties at the year-end, written confirmations have been obtained and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company except as follows:

Quarter	Name of bank	Particulars	Amount as per books of account	Amount as reported in the quarterly return / statement	Amount of difference	Whether return / statement subsequently rectified

The Company has granted loans to Companies during the year, in respect of which the requisite information is as below. The Company has not granted any loans or advances in the nature of loans, secured or unsecured, to limited liability partnership or any other parties during the year.

(a) Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to any other entity as below:

Particulars	Loans (Rs. in Lakhs)
Aggregate amount during the year	
- Enterprise exercising significant influence*	7,300
- Others enterprises	5,500
- Advances to employees	52.77
Balance outstanding as at balance sheet date	
- Enterprise exercising significant influence *	4,800
- Others enterprises	5,500
- Advances to employees	20

*As per the Companies Act, 2013

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the aforesaid loans are prima facie, not prejudicial to the interest of the Company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular except for the loan of Rs. 7,300 Lakhs given during the year to Tata Motors Limited which is repayable on demand. As informed to us, the Company has not demanded repayment of the loan during the year. Thus, there has been no default on the part of the party to whom the money has been lent. The payment of interest has been regular. Further, the Company has not given any advance in the nature of loan to any party during the year.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment except for the following loans or advances in the nature of loans to its Promoters and related parties as defined in Clause (76) of Section 2 of the Companies Act, 2013 ("the Act"):

Annexure B to the Independent Auditors' Report on the Financial Statements of Automobile Corporation of Goa Limited for the year ended 31 March 2023

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Automobile Corporation of Goa Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

i. Securities premium

The securities premium represents the additional amount shareholders paid for their issued shares that was in excess of the par value of those shares.

ii. Capital redemption reserve account

When a company redeems preference shares or buys back its shares, the company is required to create capital redemption reserve. Capital redemption reserve is created out of the profits. The Capital redemption reserve is created in accordance with the provisions of section 69 of the Companies Act, 2013 for the nominal value of shares bought back.

iii. General reserve

Under the erstwhile Companies Act, 1956, a general reserve was created through an annual transfer of the net income at a specified percentage in accordance with the applicable regulations. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of net profit to general reserve has been withdrawn. The balances in the general reserve as determined in accordance with applicable regulations is Rs. 1,537.06 lakhs as at 31 March 2022 and 31 March 2023.

iv. Retained earning

Retained earnings includes re-measurement loss/(gain) on defined benefits plan, net of taxes that will not be reclassified to the statement profit and loss. Retained earnings is a free reserve available to the Company.

Notes forming part of the financial statements for the year ended 31 March 2023

1) Background and operations

Automobile Corporation of Goa Ltd. (ACGL) was incorporated on 1 September 1980 as a Public Limited Company under the Companies Act 1956. The Company was jointly promoted by EDC Limited (a Government of Goa Undertaking) and Tata Motors Limited. The Company received approval from BSE on 02 May 2022 approving the reclassification of EDC Limited from "Promoter shareholder" to "Public shareholding" and accordingly holdings of EDC Limited was reclassified to "Public Shareholding".

The Company is engaged in the manufacture of pressed parts, components, sub assemblies for various range of automobiles and manufacture Bus bodies and components thereof.

The financial statements for the year ended 31 March 2023 were approved by the Board of Directors and authorized for issue on 08 May 2023.

2) Basis of preparation

a. Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act. The Company has considered the amendments to schedule III of the Companies Act, 2013 notified by The Ministry of Corporate Affairs (MCA) via notification dated 24 March 2021 in the financials statements disclosures, wherever applicable.

Details of the Company's significant accounting policies are included in Note 3. These policies have been consistently applied to all the years presented, unless otherwise stated.

b. Functional and presentation currency

The financial statements are prepared in Indian Rupees, which is the Company's functional and presentation currency. All financial information presented in lakhs, except when otherwise indicated.

c. Basis of measurement

These financial statements have been prepared on a historical cost basis except for the following items:

<u>Items</u>	<u>Measurement basis</u>
Certain financial assets and liabilities	Fair value
Net defined benefit (asset) / liability	Fair value of plan assets less present value of defined benefit obligations

d. Use of estimates and judgments

In preparing these financial statements, management has made judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Assumptions and estimation uncertainties

i. Impairment of non-financial assets

In assessing the non-financial assets for impairment, factors leading to significant reduction in profits such as reduction in finished goods prices and increase in raw material prices, the Company's business plans and changes in regulatory environment are taken into consideration. The carrying value of the assets of a cash generating unit (CGU) is compared with the recoverable amount of those assets, that is, the higher of fair value less costs of disposal and value in use.

ii. Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with the applicable Ind AS.

Notes forming part of the financial statements for the year ended 31 March 2023

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

iii. Defined benefit plans

Refer note no. 36 for details of the key assumptions used in determining the accounting for these plans.

iv. Provision against obsolete and slow-moving inventories

The Company reviews the condition of its inventories and makes provision against obsolete and slow-moving inventory items which are identified as no longer suitable for sale or use. Company estimates the net realizable value for such inventories based primarily on the latest invoice prices and current market conditions. The Company carries out an inventory review at each balance sheet date and makes provision against obsolete and slow-moving items. The Company reassesses the estimation on each balance sheet date.

v. Useful lives of property, plant and equipment.

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

vi. Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax asset at the end of each reporting period. The policy for the same has been explained under note 3f.

f. Measurement of fair values

A number of the accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values which is overseen by the Chief Financial Officer (CFO). Significant valuation issues are reported to the Company's audit committee. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as a lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

g. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non current classification.

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle.
- it is held primarily for the purpose of being traded;

Notes forming part of the financial statements for the year ended 31 March 2023

- it is expected to be realized within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or
- the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/liabilities include current portion of non-current financial assets/liabilities respectively. All other assets/liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle :- Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalent. The operating cycle of the Company is less than 12 months.

3. Significant accounting policies

The Company has applied the following accounting policies to all years presented in the financial statements.

a. Revenue recognition

The Company generates revenue principally from - Sale of products including scrap sales:

Revenue is recognised as per Ind AS 115, when the contract entered with a customer is within the scope of this standard and;-

- When the contract is approved by the parties in writing
- The rights and obligation of each party is identified in the contract
- The contract has commercial substance and the payment terms are defined
- When collectability of the resulting receivable is reasonably assured

Revenue from sale of products is recognised on satisfaction of a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. In case of products, when products are delivered to dealers or when delivered to a carrier for export sales, which is when the title and risks and rewards of ownership pass to the customer.

The transaction price is the amount of consideration to which the entity expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, some sales taxes) and net of discounts.

b. Dividend income, interest income or expense

Dividend income is recognized in profit or loss on the date on which the Company's right to receive payment is established.

Interest income or expense is recognized using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortized cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortized cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortized cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

c. Product warranties

The estimated liability for product warranties is recorded when product is sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management's estimates regarding possible future incidences based on actions on product failures. The timing of outflows will vary as and when warranty claim will arise, being typically 18 to 36 months from the date of sale.

Notes forming part of the financial statements for the year ended 31 March 2023

d. Provisions and contingencies

A provision is recognised where the Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate can be made of the amount of the obligation. A Contingent liability is disclosed when the Company has a possible or present obligation where it is not probable that an outflow of resources will be required to settle it.

e. Foreign currency

Income and expenses in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Foreign currency denominated assets and liabilities are translated at the exchange rates prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

f. Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

g. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the weighted average cost basis and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. In the case of raw materials and stock-in-trade, cost comprises of cost of purchase. In the case of finished goods and work in progress, cost includes an appropriate share of production overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished goods. Raw materials, components and other supplies held for use in the production of finished products are not written down below cost except in cases when a decline in the price of materials indicates that the cost of the finished products shall exceed the net realisable value.

Items of inventory are valued on the basis given below;

- i. Raw Material, Bought out components, Stores and Spares: at cost or net realizable value, whichever is lower. Cost is determined by the weighted average method.
- ii. Work in progress and Finished goods: at cost or net realizable value, whichever is lower. Cost is determined on the basis of absorption costing.
- iii. Scrap: at net realizable value.

h. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation. All cost relating to the acquisition and installation of Property, plant and equipment are capitalised and include financing cost relating to borrowed funds attributable to construction or acquisition of fixed assets, upto the date the asset is ready for intended use.

Notes forming part of the financial statements for the year ended 31 March 2023

Depreciation is provided on the Straight Line Method (SLM) over the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Taking into account these factors, the Company have decided to retain the useful life hitherto adopted for various categories of fixed assets, which are different from those prescribed in Schedule II of the Act as under:

Type of Assets	Useful life follow by the Company	Useful life as per schedule II of Companies Act, 2013
Buildings	28 to 59 years	5 to 60 years
Plant and Equipment	6 to 20 years	7.5 to 15 years
Furniture and fixture	15 years	10 years
Vehicles	8 to 10 years	8 years
Computers	6 years	3 to 6 years

Depreciation on capital work-in-progress is recorded upon completion of construction and installation of the asset and once the asset is ready for its intended use. The residual value and the useful life of an asset is reviewed at the end of each financial year and upon change in estimates, the change(s) are accounted for as, a change in an accounting estimate in accordance with Ind AS 8, 'Accounting Policies, Accounting Estimates and Errors'.

i. Other intangible assets

Other intangible assets in the nature of computer software are stated at cost less accumulated amortisation. Computer software are amortised over 4 years being their estimated useful life on straight line methods.

j. Impairment of non-financial assets

Non-financial assets are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit or loss.

k. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three broad categories:

a. Financial assets at amortised cost

A financial asset is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows.
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Notes forming part of the financial statements for the year ended 31 March 2023

b. Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss if both the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- The contractual assets cash flows represent SPPI.

c. Financial assets at fair value through profit and loss (FVTPL)

FVTPL is a residual category. Any instrument, which does not meet the criteria for categorisation as at amortised cost or as FVOCI is classified as at FVTPL.

All other financial assets are measured at fair value through profit or loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- Financial assets that are measured at amortised cost e.g., loans, deposits and trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. In the Balance Sheet, for financial assets measured as at amortised cost, ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Financial liabilities

Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at amortised cost or at fair value through profit or loss. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and designated upon initial recognition as at fair value through profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Notes forming part of the financial statements for the year ended 31 March 2023

b. Financial liabilities at amortised cost (Loans & Borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

I. Employee benefits

Short term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Long term employee benefits:

i. Defined benefits plans

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service as per the Trust deed. Vesting occurs upon completion of five years of service. The Company has obtained group gratuity policy with Life Insurance Corporation of India, HDFC Standard Life Insurance Company Limited and Bajaj Allianz Life Insurance Company Limited. The Company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation, carried out as at the year end.

Provident fund

In accordance with Indian law, eligible employee's of the Company are entitled to receive benefits in respect of provident fund, a defined benefit plan, in which both employee's and the Company make monthly contributions at a specified percentage of the covered employee's salary (currently 12% of employee's salary). The contributions, as specified under the law, are paid to the provident fund trust. Contributions towards Pension fund is paid to the Regional Provident Fund Commissioner at specified percentage of the covered employee's salary on monthly basis.

Contribution defined to benefit plan is recognized as an expense when employee's have rendered services entitling them to such benefits.

Remeasurement gains and losses

Remeasurement comprising actuarial gains and losses, the effect of the asset ceiling and the return on assets (excluding interest) relating to retirement benefit plans, are recognized directly in other comprehensive income in the period in which they arise. Remeasurement recorded in other comprehensive income is not reclassified to income statement.

Measurement date

The measurement date of retirement plans is 31 March of the every financial year ending under consideration.

Notes forming part of the financial statements for the year ended 31 March 2023

ii. Defined contribution plan

Superannuation

The Company has a Superannuation plan (defined contribution plan). The Company maintains separate irrevocable trust for employees covered and entitled to benefits. The Company has obtained insurance policy with Life Insurance Corporation of India. The Company contributes 15% of eligible employee's salary to the trust every year. The Company recognizes such contributions as an expense when incurred. The Company has no further obligation beyond this contribution.

iii. Other long - term employee benefits

Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employee's are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on the number of days of unutilized leave at each Balance Sheet date on the basis of an independent actuarial valuation, carried out as at the year end.

m. Borrowing cost

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for the intended use. All other borrowing costs are charged to revenue.

n. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

o. Segmental reporting

Basis for segmentation

An operating segment is a component of the company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the company's Chief Executive Officer (CEO) to make decisions about resources to be allocated to the segments and assess their performance.

Reportable segments

The Company operates in the following two reportable segments:

- Pressing division
- Bus body building division

p. Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in the statement of Profit or Loss on a systematic basis over the periods in which the Company recognizes as expenses the related costs for which the grants are intended to compensate.

q. Investment property

The Company recognises property as investment property Land and building, land, building etc if the property is held with an intention to earn rental or capital appreciation or for both rather than for use in the production or supply of goods or services or for administrative purposes; or sale in the ordinary course of business. The Company recognises property as investment property only when the Company is certain that the future economic benefits that are associated with the investment property will flow to the entity; and the cost of the investment property can be measured reliably. The investment property is recognised at cost including the transaction cost excluding the start up

Notes forming part of the financial statements for the year ended 31 March 2023

cost (Unless essential in commencement of operation of property) of , operating losses, abnormal amount of wasted material and labor in case of contraction of investment property. The Company values the property at fair value from an independent valuer every year for disclosure purpose.

r. Exceptional items

Items of income or expense which are non-recurring or outside the ordinary course of business for which the company have not budgeted for and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company are disclosed as exceptional items in the Statement of Profit and Loss.

s. Cash Flow Statement

Cash flow from operation are reported using the indirect methods where by profits before tax is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

t. Earnings per share

Basic earnings per share is calculated by dividing the profit (or loss) attributable to the owners of the company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split. Diluted Earnings Per Share Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect of interest and other financing costs or income (net of attributable taxes) associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the weighted average number of equity shares that would have been issued upon conversion of all dilutive potential equity shares.

u. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to two decimal as per the requirement of schedule III, unless and otherwise stated.

Note 1D Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company is in process of evaluating the impact, if any, in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a "change in accounting estimates" has been replaced with a definition of "accounting estimates". Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

29) The Company is involved in the following appellate, judicial and arbitration proceeding matters arising in the course of conduct of the Company's businesses. In few of the proceedings in respect of matters under litigation are in early stages, and in other cases, the claims are indeterminate. Contingent liability in respect of:		
Claims against the Company not acknowledged as debt:		
(i) Disputed demands of excise authorities		
- Pending before the Commissioner of Central Excise (Appeals)	516.26	516.26
(i) Denial of MODVAT due to technical lapses in the invoices. MODVAT on technical lapses are allowed by CESTAT under various case laws. The amount involved is Rs. 19.40 lakhs.		
(ii) Prior to February 2006, ACGL were reversing Cenvat Credit on inputs used for export buses and TML used to claim duty drawback (DBK) on these buses. However, TML discontinued claiming DBK on non AC buses and Claimed DBK only on AC buses. This fact was not intimated to ACGL and hence ACGL reversed the Credit as per the normal practice. As TML had not claimed DBK, ACGL filed for refund which was initially rejected by the lower authority. However, the Commissioner (Appeals) allowed the refund and the amount was refunded. The appeal is filed by the Department against the order of the Commissioner (Appeals) before CESTAT and is remanded back to the adjudicating authority for disposal. The total amount involved is Rs. 496.86 lakhs		
(ii) Disputed demand of Commercial Tax authority		
- Pending before Additional Commissioner of Commercial Taxes	274.30	291.14
i. Disallowance of input tax credit availed on entry tax paid through credit account & ITC reversal on Stock Transfer. Total demand is Rs. 222.83 lakhs and imposed penalty of Rs. 2.00 lakhs. ACGL has filed an appeal against the said order before the Additional Commissioner of Commercial Taxes.		
ii. Disallowance of ITC carry forward based on the earlier assessment order of 2016-17. The total tax of Rs. 28.84 lakhs and the interest of Rs. 20.63 lakhs is demanded due to denial of ITC carry forward of the earlier tax period. ACGL filed appeal against the assessment order before the Addl. Commissioner of Commercial Taxes.		
(iii) During the current year the below cases have been settled		
- Pending before Joint Commissioner of Commercial Taxes	-	19.05

Notes forming part of the financial statements for the year ended 31 March 2023

	As at 31 March 2023 Rs. in Lakhs	As at 31 March 2022 Rs. in Lakhs
<p>i) The Deputy commissioner has disallowed input credit based on J2 report available with department and liability reversal on rate reduction debit note. Tax is calculated on expenses reimbursed (die cost) by Tata Cummins Private Limited. ACGL preferred appeal contending that reimbursement of die cost will not form part of turnover, VAT to be calculated after adjusting the rate reduction debit note and input is considered based on J2 reports and not as per the actual purchases which is less than input as per actual purchases amounting to Rs. 17.61 lakhs.</p> <p>ii) The Deputy commissioner has disallowed the reversal of CST on rate reduction done by ACGL. Differential tax has been demanded on account of form C and form H not submitted the amount involved is Rs. 0.74 lakhs of basic and an amount of Rs. 0.70 towards interest.</p>		
(iv) Penalty proposed to be levied by the Securities and Exchange Board of India (SEBI) for alleged violation of Regulation 6 and 8 of SEBI (Substantial acquisition of shares and takeovers) Regulations 1997 (pending before the Adjudicating Officer) notice dated 21.07.2004.	1.75	1.75
(v) Income Tax Department has gone into Appeal in the Supreme Court against the order of the High Court dismissing their Review Application in the matter of depreciation not claimed by the Company in assessment year 1990-91. The Company has filed a counter affidavit with Supreme Court against the appeal. Vide Order dated 12.08.2016, Supreme Court has disposed off Appeal filed by IT Dept. The Supreme Court has allowed the appeals and set aside both the Orders dated 25.08.2010 and 28.03.2012 passed by the High Court in Tax Appeal No. 7 of 2004 and Civil Application (Review) no. 26 of 2010 and requested the High Court to decide upon the Review Petition and thereafter Appeal itself, if so on merits. The Supreme Court has also made it clear that they have expressed no opinion on the merits of any of the contentions of the parties. The High Court has restored back the appeal to ITAT, who has allowed the appeal and restored the issue to the office of Assessing Officer directing Assessing Officer for re-examining the issue after providing an opportunity of being heard.	37.33	37.33
<p>(vi) The Hon'ble Supreme Court of India ("SC") by their order dated 28.02.2019, set out the principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident Fund contribution. Subsequently, a review petition against this decision has been filed and is pending before the SC for disposal. Further, there are interpretative challenges and considerable uncertainty, including estimating the amount retrospectively.</p> <p>Pending the outcome of the review petition and directions from the EPFO, the impact for past periods, if any, is not ascertainable reliably and consequently no financial effect has been provided for in the financial statements. The Company has also obtained a legal opinion on the matter and basis the same there is no material impact on the financial statements as at 31.03.2022 and 31.03.2023. The Company would record any further effect on its financial statements, on receiving additional clarity on the subject.</p>		
A number of contingent liabilities have arisen as a result of		
a) Show cause notice for wrong availment of Modvat by Central Excise which was procedural and technical in nature and similar case decision was given in Company's favour. Decision made by Commissioner Excise (Appeals) in favour of ACGL for restoration of cenvat reversal whereas appeal filed by Excise department against the Commissioner (Appeals) was remanded back to adjudicating authorities.		
b) Appeal filed by Company against Rule 10 A where any liability arising out of demand will be reimbursed by Tata Motors Limited.		
c) Disallowance of ITC availed on entry tax paid through credit account.		
d) Income Tax notional demand for penalty was dismissed by High Court. Thereafter set aside by Supreme court and sent back to High Court to review. The High Court has restored back the appeal to ITAT.		
<p>The management believes that, the aforesaid claims made are untenable and is contesting them. As of the reporting date, the management is unable to determine the ultimate outcome of these matters. However, in the event the revenue authorities succeed with enforcement of their assessments, the Company may be required to pay some or all of the asserted claims and the consequential interest and penalties, which would reduce net income and could have a material adverse effect on net income in the respective reported year.</p>

35) IND AS 116 - Lease

The Company has adopted IND AS 116 Leases from 1st April 2019. Discounting rate 8.8 % had been applied. On application of Ind AS116, the nature of expenses have changed from lease rentals in previous periods to depreciation cost on ROU asset and finance cost on lease liability. The difference between the future minimum lease commitments reported as at 31 March 2019 and lease liability accounted as on 1 April 2019 is primarily due to discounting of lease payments as per Ind AS 116 requirements.

- VIII.** The assumptions of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment.

	31 March 2023	31 March 2022
Sensitivity analysis		
Projected benefit obligation on current assumptions	2,534.49	2,281.24
Delta effect of +1% change in rate of discounting	(99.93)	(99.72)
Delta effect of -1% change in rate of discounting	108.06	108.40
Delta effect of +1% change in rate of salary increase	106.85	107.25
Delta effect of -1% change in rate of salary increase	(100.65)	(100.53)
Delta effect of +1% change in rate of employee turnover	1.10	(0.53)
Delta effect of -1% change in rate of employee turnover	(1.22)	0.56

The Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Further more, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligations liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

* Financial assets and liabilities such as trade receivables, cash and cash equivalents, other bank balances, inter corporate deposits, advances to employees, interest accrued, subsidy receivable from Government, cash credit account, trade payables, unclaimed dividends, payable for voluntary retirement scheme and other financial liabilities are largely short term in nature. The fair value of these financial assets and liabilities approximate their carrying amount due to the short term nature of such assets and liabilities.

ii. Measurement of fair values

Level 1: level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: level 2 hierarchy includes fair value of the financial instruments that are not traded in an active market. Fair value of these financial instruments is determined using valuation, which maximise the use of observable market data and rely as little as possible on entity specific estimates. Investments in mutual funds are valued using the closing net assets value (NAV).

Level 3: level 3 hierarchy includes financial instruments that are not based on the observable market data.
