

CSR Projects for FY24-25

Sr. No.	Projects	Project Details	Location	Agency	Category
1	Construction of Science Laboratory	The proposed project involves the construction of a science laboratory at Government High School, Bhuimpal, Sattari, Goa. This initiative aims to significantly enhance the educational facilities available to students from rural areas, thereby fostering their academic growth and practical understanding of scientific concepts	Govt. High School, Bhuimpal, Sattari, Goa	Direct	EDUNITY (Education)
2	School Buses	<p>School bus for Lokvishwas Pratishthan's UTKARSH initiative, which operates in Ponda and Quepem. This initiative focuses on assisting persons with severe disabilities and supporting girl children in need of education.</p> <p>The school bus will play a crucial role in providing Accessibility, Many children with severe disabilities face significant challenges in accessing education due to mobility issues. A dedicated school bus will ensure that these children can travel safely and comfortably to and from school.</p>	Lokvishwas Pratishthan, Ponda and Quepem	Direct	UTKARSH (Special Need)
3	Supporting Education for Visually Impaired Children	<p>The Goal is to help visually impaired children become self-reliant by providing them with quality education and essential skills. This ensures they can lead independent and fulfilling lives.</p> <p>To further support the community, the program conducts vocational guidance workshops specifically designed for blind adults</p> <p>This initiative demonstrates a comprehensive approach to supporting visually impaired and other special needs children and adults. By focusing on both education and practical skills, the program aims to create a more inclusive and self-reliant community.</p>	Panjim, Goa	The National Association for the Blind, Goa State Branch	UDAAN (Supporting Education for Visually Impaired Children)
4	ITI Project (New trade Mechanic Auto Electrical & Electronics)	The objective of this project is to enhance the employability within local community by providing New trade "Mechanic Auto Electrical & Electronics" (under Dual System of Training DST) in the academic session year 2024-25 and state-of-the-art tools, equipment and machinery as per the National Skills Qualifications Framework (NSQF) approved by the Directorate General of Training (DGT) and develop necessary workshop infrastructure.	ITI at Honda, Goa	Direct	EDUNITY (Education)
